Dear Councilmember Huizar,

Thank you for your continued commitment to our area and for your friendship. We have worked together on many milestones and the board and myself are both grateful for the attention we receive for Downtown, knowing you have other areas that require your focus.

Attached is a letter I hope you can use to make the plea for more resources in Downtown. We unfairly endure many of the burdens of our great city, all while providing many great benefits. After much outcry to our inboxes, in calls, social media, and texts, we felt it was time to request the resources we so desperately need.

Thanks again for your attention in this matter.

Warm regards,
